To Whom It May Concern:

On behalf of Hollywood Casino in Bay St. Louis, Mississippi, I would highly recommend Thom Kaz for your events. We sold out two shows in July to this hysterical comedy show. Thom Kaz and his staff were very professional and great to work with in the planning stages and throughout the weekend. The show was tailored for our guests and the audience was roaring with laughter throughout both evenings. We are already planning our next event with hypnotist, Thom Kaz.

Please feel free to contact me if you need more information at (228) 466-8016.

Sincerely,

Brandy Jones
